

Our SQL Server 2005 courses can help you earn Microsoft's latest generation of certifications. Whether you want your Microsoft Certified Technology Specialist (MCTS) or Microsoft Certified IT Professional (MCITP) certification, we offer several courses that can help you prepare for their exams.

Microsoft Certified Technology Specialists

Microsoft Certified Technology Specialists are capable of implementing, building, troubleshooting, and debugging a particular Microsoft technology. Our *Microsoft SQL Server 2005* course can assist you in preparing for the MCTS: SQL Server 2005 certification exam. The MCTS also serves as a prerequisite for the MCITP certifications.

Certification	MCTS: SQL Server 2005
Exam	Microsoft SQL Server 2005 – Implementation and Maintenance (70-431)
Course	6355 Microsoft SQL Server 2005

Microsoft Certified IT Professionals

MCITP professionals own a set of skills that allow them to perform a particular role. Our *Microsoft SQL Server 2005 for Developers*, *Microsoft SQL Server 2005 Reporting Services*, and *Microsoft SQL Server 2005 for Business Intelligence* courses can assist you in preparing for the MCITP: Database Developer, MCITP: Database Administrator, and MCITP: Intelligence Developer certification exams.
